

Job Description

Job Title	Basketball Coach
Department	Operations
Reports to	Centre Manager
Location	Any City
Salary Range	AUDXXX

About UAC:

Universal Athlete Centre (UAC) is Australia's leading integrated performance and recovery facility, home to athletes, teams, and members who value development, education, and holistic wellness.

Our programs combine high-performance coaching, sports science, and recovery systems to create an environment where athletes of all levels thrive.

About the Role:

We are seeking passionate, qualified Basketball Coaches to join our growing team. You'll deliver group training, skills development sessions, and game-based performance programs under the UAC Basketball Academy Framework.

As part of the UAC coaching network, you'll work with a multidisciplinary team of Strength & Conditioning Coaches, Physiotherapists, and Performance Trainers, helping athletes reach peak performance while fostering discipline and teamwork.

Key Responsibilities

- Deliver structured basketball training sessions (individual & group).
- Develop and implement skill progression plans aligned with UAC coaching methodology.
- Assess player performance using drills, film review, and testing data.
- Collaborate with the S&C team on athlete load management and recovery integration.
- Support tournaments, events, and academy showcases.
- Mentor junior players, focusing on technical skills and mindset development.
- Ensure safety, professionalism, and brand consistency across all sessions.

Ideal Candidate Profile

- Strong background in basketball player development (junior or semi-pro)
- Able to lead high-energy sessions with clear instruction and feedback
- Team-focused and thrives in a collaborative performance environment
- Passionate about education, youth development, and long-term athletic growth
- Positive role model who represents UAC values: Commitment, Excellence, and Integrity

Job Description

Qualifications and Criteria

Requirement	Details
Minimum Qualification	Basketball Australia Coaching Accreditation (Level 1 or higher)
Preferred Education	Degree / Diploma in Sports Coaching, Exercise Science, or Human Movement
Experience	Minimum 2 years coaching at club, school, or academy level
